PUBLISHER'S STATEMENT

The circulation for individual months is now being verified by the publication of print and postal invoices, which will be updated regularly, and are published on pages 4-6. The current print run for each issue is 11,200 and 11,050 are distributed by post.

Project Manager Today continues to be circulated to 11,050 project people including individual subscribers (currently 802); all members of the British Computer Association (BCS) Project Management Group (currently 3553); members of the Best Practice User Group (currently 90) and the remainder from lists drawn on a rotating basis from a database of some 30,000 project and project-related people.

Postal copies are distributed by OnePost and Royal Mail.

The magazine and past articles are also available to subscribers on line at www.pmtoday.co.uk.

Project Manager Today
December 2011

advancing learning and development for the

project manager today

January/February 2012

Editorial copy date: 13 January **Final ad sales: 15 January** **Published 6 February**

➔ Universities: students and academics. What's the view on PM from academia, and how can studying a specific course help with the understanding of the profession and furthering career paths.

March

Editorial copy date: 13 February **Final ad sales: 15 February** **Published 5 March**

➔ Software and project challenge. The latest view on bespoke software and the benefits it can bring. Also a look ahead to Project Challenge, who will be exhibiting and who are the hottest name in PM.

April

Editorial copy date: 12 March **Final ad sales: 14 March** **Published 2 April**

➔ Going beyond PM, learning from other areas. A unique look at how projects are viewed and approached in other sectors and whether project management is becoming insular, failing to look at the bigger picture.

May

Editorial copy date: 12 April **Final ad sales: 14 April** **Published 1 May**

➔ Focus on international. A look at projects from the small to the significant around the world, and how practices are changing.

June/July

Editorial copy date: 12 June **Final ad sales: 14 June** **Published 2 July**

➔ Project Manager Today Awards and construction projects: including Olympics. Without too much Olympic overload a specific look at major construction projects. Also we will be handing out the first ever independent PMToday awards, watch this space.

August/September

Editorial copy date: 13 August **Final ad sales: 15 August** **Published 3 September**

➔ Project challenge and training. The training edition looks at courses and initiatives for learning and development.

October

Editorial copy date: 11 September **Final ad sales: 13 September** **Published 1 October**

➔ Standards and certification. A look at the accreditation bodies and what they do to promote the profession.

November/December

Editorial copy date: 12 November **Final ad sales: 14 November** **Published 3 December**

➔ Award season and training and software source-book. Building on the success of Pocket Manager Today the source-book aims to be the PM bible for the coming year, also the magazine will look at the awards winners from the various conferences around this time.
